CARING FOR YOUR CHAIR

Chairs with a  symbol have been treated with a UV stabilizer to extend the life of your coloured chair.

When not in use store your chairs inside or undercover.

Regularly dust and wipe your chair with a damp cloth and dry with a clean microfibre cloth.

See CHAIRFORCE.CO.NZ for more tips on how to care for you chair.

lucio Lucio is a leading supplier of affordable, commercial grade seating throughout New Zealand and Australia. Wherever you see the Lucio name you can be assured of value for money.

CARE OF YOUR TABLE TOPS These table tops are tough and will last a long time if a little care is taken. Follow these simple tips to enjoy your top for years to come. These tops are suitable for indoor & alfresco use. We recommend you do not leave in the sun for long periods of time. Table tops heat up in direct sunlight (especially dark colours), which may cause the wood to expand, resulting in a slight bow.

*Water resistant: We recommend to wipe spills immediately. Leaving tea, coffee etc on a table top can lead to staining and reduce the life of your top.

CHAIRFORCE TABLE BASES WITH SQUARE ATTACHMENT PLATE:

The following Chairforce table tops can be screwed straight into any table base with a square attachment plate:
Ciro, Diego, Ricardo

* Diego tops have pre-drilled holes for easy attachment.

CHAIRFORCE TABLE BASES WITH CROSS ATTACHMENT PLATE:

The following Chairforce table tops can be screwed into a Tomas base: Ciro, Diego*, Ricardo

* Diego tops have pre-drilled holes for Tomas bases

CHAIRFORCE HAIRPIN TABLE LEGS:

The following Chairforce table tops can be screwed into a hairpin leg: Ciro, Ricardo*

* Ricardo has a recessed top so legs must be positioned at least 30mm from the edge

How to Choose Your Table Base

Choosing the right base for your top

WHICH BASE CAN I USE FOR MY LARGE TABLE TOP?

Any table top measuring 120cm should be fitted with a double base or at least 2 legs attached.

180cm tops can be used with the hairpin legs or Rocco Table Legs.
